

MUHAMMAD QASWAR

MERN STACK DEVELOPER

+92 301-7767638 | qaswarhussain135@gmail.com | <https://qaswar-portfolio.vercel.app/>

SUMMARY

Driven and passionate MERN Stack Developer with hands-on experience creating full-stack websites. I create responsive interfaces with JavaScript, HTML5, and CSS3. I build scalable backends with Node.js, Express.js, and design efficient databases using MongoDB. Always eager to learn, embrace challenges, and contribute energy to innovative projects.

PROFESSIONAL EXPERIENCE

Web Development Trainee

March 2025 - May 2025

- Developed and enhanced MERN stack projects to create fast and responsive user experiences across various devices.
- Collaborated with front-end developers to integrate APIs and improve user experience.
- Designed scalable and reliable solutions that support application growth and ensure consistent performance.

Web Developer Intern

May 2025 - June 2025

- Assisted in building and maintaining web projects using React, Node.js, and MongoDB.
- Worked closely with teams to enhance features and integrate APIs.
- Provided technical expertise, contributing to a 15% reduction in system failures.

PROJECTS

EliteShop – Premium E-Commerce Platform

July 2025 - August 2025

- Developed a scalable, component-based React application with advanced e-commerce features.
- Implemented responsive design and PWA capabilities for optimized user experience across devices.
- Followed best practices for accessibility and maintainability.

SKILLS

React, PWA

Node.js

Visual Studio Code

Responsive Design, CSS3
